Educational Background

Your member grade is partially based on your educational background. Please use "Add Additional Degree" to list each of your degrees. This will insure your membership is appropriately established. **NOTE:** Select your school from the institution/school list. Contact us at member@asce.org, (800) 548-ASCE (2723) or (703) 295-6300 between the hours of 9 a.m. – 6 p.m. ET, if your institution/school is not in this list. We will add your school and get your membership activated immediately. Thank you for your interest in ASCE membership.

Educational Information

* Program Degree: Bachelor of Civil Engrg.
* Institution/School: Oregon State University
* Graduation Date: 2020 If you have not graduated, please submit closest expected date.

Add/Save Education You must press the "Add/Save Education" to save your degree.

Thank you for joining ASCE! Your membership has been activated.
Take advantage of your membership immediately by reviewing some of the information we have available to jump start your membership at www.asce.org/nmwk.

You may also take advantage of exclusive member pricing by shopping for your professional needs.

On the next business day, you will be mailed a printed copy of the New Member Welcome Kit. You will see your member number on the membership card you receive in the next two weeks (international delivery could take six to eight weeks). In addition, you will start to receive the world's preeminent civil engineering magazine, Civil Engineering, in six to eight weeks*. Please visit www.asce.org/cemagazine to access the digital and mobile editions.

As an exclusive member benefit, you are eligible to enroll in 5 free 1 hour on-demand webinars. Please login to www.asce.org/freepdh to access this benefit. (Note: Students must upgrade to professional membership to participate).

If you have difficulties with any member benefits, please contact us at member@asce.org, 1-800-548-2723 or +1-703-295-6300 (international) from 9 a.m. to 6 p.m. E.T., Monday through Friday.

Member Services

*The printed magazine is only mailed domestically. International members may view the magazine online, mobile or pay the $39 mailing fee to receive printed copies of the magazine.

When you "continue shopping" you will need to login with your new username and password exactly as you typed them.

You will need to login again after shopping to take advantage of exclusive pricing through your membership. Continue Shopping Print *

*ASCE supports sustainability, as such, please consider the environment if you are required to print.
