

# THE REACTOR

OSU CHEMICAL, BIOLOGICAL, AND ENVIRONMENTAL ENGINEERING STUDENT ORGANIZATION

## WELCOME, and Welcome Back CBEE Students!

As the orange and black sweat shirts make their way out of your closets and onto your backs, as summer has become fall and Corvallis has come back to life the CBEE Student Organization would like to welcome back our engineers and first year students to Gleeson Hall. While first year's are trying to find their classrooms and seniors are trying to stay awake in class we would just like inform you of a few upcoming events and programs that CBEE manages and is organizing with this WELCOME BACK newsletter.

When your in need of sugar during a homework or study session don't make the long trek to one of the minimarts or spend a fortune at the vending machine. Just visit the CBEE Student Store located in the southwest corner of the first floor of Gleeson Hall, through the double doors and past the study tables. Where everything is 50¢!

Check out the Highlights of Happenings section on the back page for upcoming events sponsored by the CBEE Student Organization.

2008 AIChE National Student Conference & Centennial Celebration

## Meet your Presidents...

### Torri Rinker - BioE President

Welcome back to school! I am Torri Rinker, one of the three presidents of the CBEE Club. I am a senior in Bioengineering with a minor in Spanish. I have held officer positions in the club for the past three years, including freshman rep, sophomore rep, and BioE president. The club has provided me with awesome opportunities to network, travel, and learn about the career options available to engineers. I would recommend that students join the club so that they can meet other students and professors in our department. I am looking forward to a great year with CBEE!

### Greg Newbloom -ChemE President Hey Everyone,

My name is Greg Newbloom and I am the 2008/2009 OSU CBEE-ChE President. I am really excited about the opportunities that our club will have this year. I joined our student chapter my sophomore year and was the Business Manager for almost 2 years. In the past, my most memorable experiences with the club have been going to the National Conferences. I have been to the last two AIChE National Conferences in San Francisco and Salt Lake City. They were both great opportunities to network with professionals, go to workshops and to make some good friends. I am really excited to see how the Fresh-

man will step up this year! There are so many great opportunities available through our club. If I had to give a reason for someone to join our CBEE Student Chapter, it would have to be the opportunity to go to the AIChE National & Regional Conferences. It is a great chance to create memories and meet new people. We really hope that you will consider joining us this year and maybe even come to the National Conference in Philadelphia!

### Michelle Adlong -EnvE President

Hello from Michelle Adlong, your ENVE president! Welcome to a new and full school year. I'll be a junior in environmental engineering this fall. I've been a CBEE club officer for the past two years and it's been great. I encourage all of you new and returning ENVE students to become involved in our club.

The CBEE club offers opportunities too good to pass up. Attend meetings, get to know your fellow students, and help us make your studies relevant to your life. Travel, eat, play, or study with us. We want to see you there--especially you, ENVEs!

November 14 - 17, 2008 Philadelphia, PA  
The founding city of AIChE, Philadelphia, will host this year's National Student Conference from November 14-17. The conference provides four days of career information, social events, competitions, and fun.  
Join student engineers from more than 100 schools and celebrate the Chemical Engineering profession, along with young professional members, AIChE leaders, and industry professionals from numerous engineering specialties. This very special meeting marks the Centennial celebration of the AIChE's founding. Special sessions and celebrations are planned to commemorate 100 years of AIChE. Meet new friends and discover the exciting benefits of AIChE membership.  
The OSU CBEE Student Club will be sending more than 35 students to this conference! Kari Varin & Anna Putnam will both be receiving awards and our OSU Chemical Reaction Car Team will be competing against school from around the country! If you are interested, we still have a couple of spots available. The cost is \$300 and hopefully that will be all that we have to pay. We will be in the city for 5 days, so when you break everything down you will be going for a great price. Please contact Greg Newbloom ASAP and he will get you the information you need. We hope to see you there!

### Special Points:

- ξ CBEE President Introductions
- ξ Grad School Night
- ξ CBEE Ice Cream Social
- ξ CBEE T-shirt Design Contest
- ξ Who are your Officers
- ξ Student Store Location
- ξ AIChE Centennial National Conference

## Who are your CBEE Officers?

ChE  
 President Greg Newbloom  
 VP Anna Putnam  
 Sr Rep Kari Varin  
 Jr Rep Paul Dornath  
 So Rep Sara Varin, Bader Aboalsaud

BioE  
 President Torri Rinker  
 VP Caslin Gilroy  
 Sr Rep Jason Munion  
 Jr Rep Maddie Midgett, Rachel Bywater  
 So Rep Tara Binn, Troy Love

EnvE  
 President Michelle Adlong  
 VP Jeff Hart  
 Sr Rep Alisha Tuladhar  
 Jr Rep Katie Bruce  
 So Rep Nurbika Baizakova

ALL  
 Secretary Megan Heinze  
 Secretary (in-training) Ian Gluck

Treasurer China Lim  
 Treasurer (in training) Julie Auxier

Business Manager Ryan Stillwell  
 Business Manager (in-training) Marsha Lampi,  
 Sara Varin, Mikkell Leslie

Social Chair Maddie Midgett  
 Social Chair (in-training) Jordan Hunt, Mikkell Leslie

Fundraising Director Rachel Bywater  
 Fundraising Director (in-training) Trish Frazier

Tutor Coordinator Tori Johnson  
 Tutor Coordinator (in-training) Kate Brouillard

Newsletter co-Editors Staci Van Norman,  
 Jenna Wilson  
 Newsletter Editor (in-training) Kate Brouillard

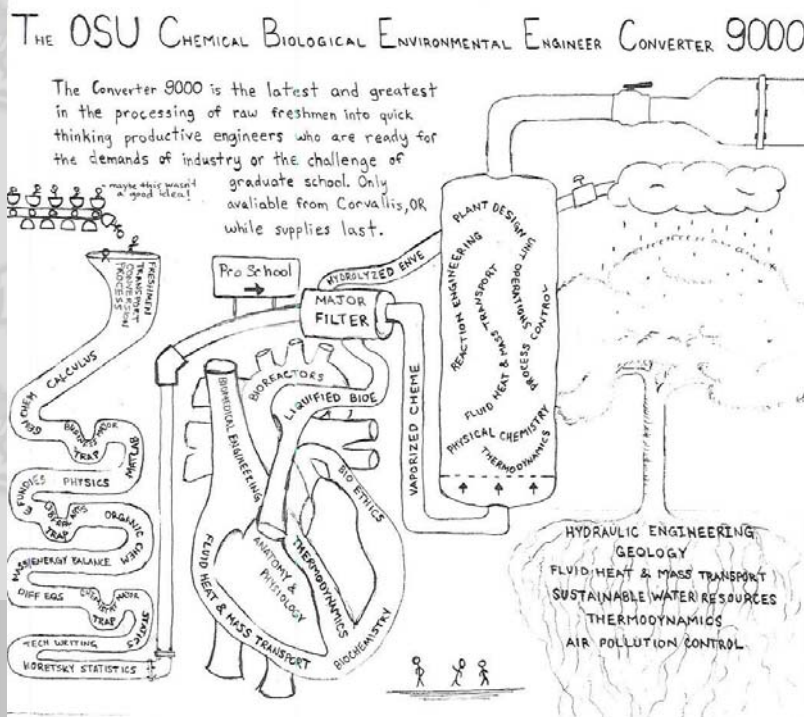

Website Monitor Robert Elder  
 Website Monitor (in-training) Morgan Von Poppenheim

Publicity Director Linzy Rucker  
 Publicity Director (in-training) Marsha Lampi

K-12 Outreach Co-Cordinators Linzy Rucker,  
 Paul Dornath, Katie Bruce, Bader Aboalsaud

## CBEE 2008-2009 T-shirt Design Contest

Introducing the 2008-2009 CBEE T-shirt Design Contest. So far we have the shown design for this years shirt. Do you have a design you would like to submit? All contest submission should be sent to Greg Newbloom (newbloom@onid.orst.edu) for consideration. Contest end date is yet to be set. The contest winner will be awarded a sweatshirt with their winning design. The design should incorporate Chemical, Biological and Environmental Engineering. Good luck to all participants.

## Highlights of Happenings:

### CBEE EVENTS CALENDAR

Want to know what is going on later in the term? Just check the Events Calendar located in the Gleeson Lobby by the stairs

### CBEE INFO BOARD

Want to know what is happening with the CBEE Student Organization every week?  
 Check the events board located in the Gleeson Lobby.

### CBEE GRAD SCHOOL NIGHT

Be looking for information about the upcoming Graduate School Night hosted by CBEE

### CBEE ANNUAL ICE CREAM SOCIAL

The Ice Cream Social will be held on Friday October 3rd at 4pm in the Gleeson Lobby.  
 Come meet CBEE officers, sign-up for a locker and have fun!

## 2009 AIChE Pacific Northwest Regional Conference

Be looking for information in Spring 2009 when the OSU CBEE Student Organization will be hosting the AIChE Pacific Northwest Region Conference in Corvallis, Oregon.
