

ONE COMPANY | *Many Solutions*SM

HDR is an architectural, engineering and consulting firm that excels at complex projects and solving challenges for clients.

More than 5,200 employee-owners, including architects, engineers, consultants, scientists, planners and construction managers, in over 130 locations worldwide, pool their strengths to provide solutions beyond the scope of traditional A/E/C firms.

Title	Electrical Intern
Requisition Number	070120
Openings	1
City	Bellevue
State	WA
Zip Code	98004
Description	We have an opportunity in our Bellevue office for a summer intern in our Electrical Engineering Group. The right candidate will have completed his/her junior or senior year toward a Bachelor's degree in Electrical Engineering, with an interest in a career as an Electrical Engineer in Industrial Facility design. He/She should have working knowledge of Microsoft Word, Excel and basic AutoCAD. The successful candidate must be enthusiastic, self-motivated and able to work independently under the supervision of an electrical engineer. Primary duties will include: making revisions to AutoCAD drawings from engineers' mark ups, plotting drawings and assembly of drawing sets, as well as preparation of spreadsheets and calculations using Excel. Other duties will be determined and assigned as needed. Please note: this is not a computer/software engineering position.
Requirements	This position requires (at a minimum): • Completion or near completion of junior year (300 level courses) in an Electrical Engineering program, • Working knowledge of Microsoft Word, Excel and basic AutoCAD, • Good communication skills.
Post Date	01/17/2007
