

IEEE Specialty Group Proposal  
osu-exec@IEEE.org

**Group Name:**

**Leader Name:**

**Scope:**

What are the goals for your proposed group?

How are you intending on achieving these goals

**Recruiting:**

How are you planning on getting others interested and involved with your group?

What should new members expect when first joining? What will they be doing / be involved with?

**Leaders:**

Who will be leaders of this group and what will their roles be?

**Funding / Resources Requests:**

Please list all funding / resources that are needed to get off the ground. For each item listed, please state what the resources will provide to the group.

When your Proposal is completed, please send it to [osu-exec@IEEE.org](mailto:osu-exec@IEEE.org). A response will be sent by an executive team member stating what the next steps are to completing your specialty group proposal

NOTES: Submission of a proposal does not guarantee IEEE sponsorship of the group. A meeting with an IEEE executive member may be required before approval and funding is granted.
