

COE Peer Tutoring Program

More information:

COLLEGE OF ENGINEERING

COE's Peer Tutoring Program provides free tutoring for a wide range of classes required by COE majors.

- Drop-in tutoring
- Tutoring appointments for select classes
- Comfortable, welcoming environment
- Staffed by trained peers who have been successful in the class

Read on to learn more about our program - who we are, what we offer, and how you can reach us to ask for help.

THE TUTORS:

Tutors represent every school within the College of Engineering and are available to any and all! Tutors are student employees, which means the College covers the cost of this program - making it free for you!

Our tutors maintain stringent GPA requirements and have received at least a B in the classes for which they tutor. They undergo formal training and consistent supervision and truly have only one goal - to help you.

Most importantly, all of our tutors are your peers - they sit in classes with you, understand the challenges of the engineering curriculum, and celebrate successes with you.

THE OPTIONS:

COE's Peer Tutoring Program offers two ways to access our service: drop-in tutoring and individual tutoring appointments. More info about these options can be found on the back of this page; however, the most critical info is found online:

[Drop-in Tutoring Schedule](#)

[Make a Tutoring Appointment](#)

DROP-IN TUTORING:

Though it varies slightly from term to term, the following courses are generally supported for drop-in tutoring:

- CBEE 211, 212, 213
- CCE 102, 201, 203
- CH 201-203, 231-233; 331, 332
- CHE 311, 312, 331-333
- CS 16x, 261, 271, 290, 325, 344
- ECE 112, 271, 375
- ENGR 112, 201-203, 211-213
- ME 311, 312, 317, 331, 332, 373
- MTH 231, 251, 252, 254, 256
- PH 211-213

TUTORING APPOINTMENTS:

Individual tutoring appointments are available for select classes within the College of Engineering, varying depending on the term. Appointments are conducted via Zoom. Some common courses that are offered:

- CBEE 211-213
- CS 16x, 261, 271, 344
- ENGR 211-213
- ME 311, 312, 317, 331, 332

Other Tutoring Resources

MATH AND STATS LEARNING CENTER (MSLC)

The MSLC is staffed by undergraduate students, graduate students and some instructors/faculty. Typically operating in Kidder 108, they are now providing services via Slack and Zoom!

MOLE HOLE (CHEMISTRY)

The Mole Hole provides Chemistry tutoring for a variety of courses in their department. You can check the schedule online.

WORM HOLE (PHYSICS)

Similar to the Mole Hole, the Worm Hole provides tutoring for select courses in the Physics department. You can get the best information on their availability from your instructor/TA.
