Funding Request Review/ Awards

- Centralized Process
- Funding requests were due on 5/31/17 for the '17-'18 school year
- Funding criteria
 - Promote the mission of the COE
 - Enhance educational and/or professional opportunities for engineering students
 - Have a tangible benefit to COE including visibility, awareness, and/or community involvement
 - Whether the student organization has had regular representation to the ESC
 - Maximum of \$125/ member, most successful requests are \$50/ member
- Funding requests sent to the School Heads
- School Heads responded with their funding awards
- Total budget from COE → ~\$105,000 even though we were only expecting \$70,000!
- Funding awards passed out for each club

General Notes

- Work with Dante Holloway to send out SLI Training Dates/ Times
- Concerns raised about emails/ Dante's Training requirement
- Clarification: Only requirement from ESC is attendance at Week 2 and Week 6 general body meetings
